

CHATTANOOGA
A GREAT CITY BY NATURE.™

MISSION: CHATTANOOGA

TOP SECRET

Authorized Personnel Only

YOUR MISSION: Photograph Chattanooga landmarks based on the clues provided.

YOUR COVER: The secret organization is on to our investigation. Your cover is as a tourist to Chattanooga. Enjoy the sights, food, and culture. Above all, stay in character!

INSTRUCTIONS: As you enjoy your stay in Chattanooga, you may visit some of the locations listed here. Your job is to decipher the clues and to photograph the objects described.

DELIVERY: Upload your photos at:
<http://spring.chattanoogafun.com/mission/upload/>

YOUR REWARD: Once you upload the photos, we will review them and let you know how you did. Depending on your performance, you may receive discounts, Chattanooga memorabilia, or even attraction tickets!

Good luck, new recruit! All our hopes rest with you.

LOCATION: Coolidge Park

CLUE #1: Alone this gleaming stallion plays,
up above is where he stays.

CLUE #2: Careful now! Don't slip and fall
off of this peculiar wall.

CLUE #3: Along a certain winding trail,
you will find an unlikely snail.

CLUE #4: Find a majestic water horse
traveling on a rounded course.

CLUE #5: Forget pots and a wooden spoon,
this metal has a more rockin' tune.

LOCATION: Tennessee Aquarium Plaza

CLUE #1: Blue animals on river banks,
housed inside are water tanks.

CLUE #2: The Choo Choo may be miles away;
find the lyrics in the clay.

CLUE #3: Penguins live at the South Pole;
this one's here to take your toll.

CLUE #4: Where can you be beneath the trees?
Take a picture of both of these.

CLUE #5: Broken ground where children play,
you could stay cool on a hot day.

CLUE #6: A page of history locked in the ground.
Most can't wait until it's found.

LOCATION: Bluff View Art District

CLUE #1: There is nothing below your feet
as you traverse across the street

CLUE #2: Its vibrant shade will draw your eye,
as this portal you pass by.

CLUE #3: Together we are hand-in-hand,
on top of a fortune forever we stand.

CLUE #4: This thing can fly like Peter Pan.
It's useful to every handyman.

LOCATION: **Ross's Landing**

CLUE #1: This floating “bell” is part of our town.
She may be heavy, but she does not drown.

CLUE #2: Water usually comes falling down.
Here it shoots up from the ground.

CLUE #3: This landmark spans the water wide.
You can walk or drive to the other side.

CLUE #4: History revealed in metal and stone,
tells us who first called this place home.

CLUE #5: Across the street, an empty square
easily seen from up in the air.
